## FROM THE EAST

Brothers,

I would like to welcome you to the first step in revitalizing our lodge. The Lion's Paw is a monthly publication from South Lyon #319.

One of the tasks we set out for 2017 was to increase our communication within our lodge and to our fellow lodges. The Lion's Paw is our first step to do that.

As we all know brothers there has been a decline in numbers. Like our grandfathers, brothers, uncles and friends before us we petitioned to be a part of something. Something bigger than ourselves, where we can make a difference in the lives of many.

However to do more as a group we need to do more as individuals.

This first communication is to reintroduce you to your lodge. As a member of South Lyon #319 you are part of a proud history and a very bright future.

As your Worshipful Master for 2017 I would like to ask you to come by the lodge and meet your brothers and help where you can. If you can't make it in person, send us an email let us know how you are doing and how we can make you feel like you are a part of something again.

Fraternally Yours,

Mike Rzyzi  
Worshipful Master

## FROM AROUND THE LODGE

### From Refreshment to Labor...

If you haven't been to lodge lately brothers now is the time! We are honored this year to have Brother Frank Tytar as our Junior Warden. Brother Frank has really raised the bar on refreshment. Every month has been a themed dinner that members and guests have enjoyed. For March Brother Frank created a fantastic Polish meal. We had homemade Pierogis, sauerkraut and kielbasa. We are all excited to see what's in store for April!

### Fellowship Night—New for 2017

The last Wednesday of the month is Fellowship night. All brothers and guests are welcome to come to the lodge to meet and socialize with fellow members. Come and join us at 7PM on the last Wednesday of the month.

### Michigan Child ID Program Success

March 25th the lodge successfully enrolled many local children at Early Childhood Development Center on Warren in South Lyon.

## SOME HISTORY

Our current building was purchased in 1924 and the lodge brothers paid off the note in 1937. We have never had a note on the building since.
